Help Desk – Wheeler AAF, HI

Member of the Verizon-ComCon-CACI team that delivers 24x7 service/support to the Defense Information Support Network (DISN)

Results

- Microsoft 2003/CNA/CISSP-qualified team of IT professionals
- Maintained 99.9% uptime on 100+ servers, 3 separate domains
- Support antivirus defense & Host Intrusion Prevention Services
- Manage and maintain Microsoft SMS and Retina/McAfee Hercules
- Serviced networks/servers: MS Exchange, SAN, WINS, DNS, DHCP

Quality Service, Best Value

Logistics/Operations Mgt

Past Performance

Air Mobility Operations Control Center (AMOCC) – Hickam AFB, HI

ComCon stood up the “first ever” 100% contractor operated command and control (C2) unit for air mobility; nominated for two federal awards for teamwork/efficiency

Air Mobility Division – 613 Air Operations Center, Hickam AFB, HI

ComCon led the transition to the new C2 organization and was consulted on every air mobility issue from 2001-07, to include: airlift/air refueling to support fighter/bomber movements, disaster relief and humanitarian assistance, aero-medical evacuation, etc

Results

- **Recognized subject matter experts to the PACAF staff**
- **Around-the-clock support for mobility in the Pacific AOR**
- **Maximized efficiency of the global transportation network**
- **Advised PACAF on literally all air mobility issues, 2001-2007**

Senior Executive Support

Past Performance

APCSS Foreign Policy Advisor – Ft DeRussy, HI

Provides expert advice on foreign policy to the APCSS Director for almost forty countries in the PACOM AOR

PACAF Commander's Political Advisor – Hickam AFB, HI

POLAD assists the PACAF Commander with political and economic advice to improve US relations in the AOR

APCSS Adjunct Professors – Ft DeRussy, HI

Experts from around the globe instruct military and civilian mid-level leaders on political, economic and military issues

Results

- Improve interagency coordination on policy and operations
- Contribute to the US military and diplomatic efforts
- Met DOD's need for POLADs--*now*

Exercise/Wargaming

Past Performance

EAGLE TALON 07–Ft Campbell: Sr. Mentor/50 OTs (TS clearances);
“Thanks to ComCon we’re ready to go!”, 101st DIV CG

UNIFIED ENDEAVOR 09–Ft Hood: 160 staff role players (SECRET);
